THE FAI SCHOOLS PRIMARY 5s IS THE BIGGEST COMPETITION IN PRIMARY SCHOOLS' FOOTBALL

The FAI Schools Primary 5s competition reached new heights in 2024 with a record number of 42,064 students taking part. It also saw the biggest number of schools engaged with the programme, as 2,025 schools participated nationwide last year.

The competition has been running since the mid 1990s and the programme promises to be bigger and better this year.

Schools should run their own in-house tournaments to get more students involved in football and perhaps use this fun initiative to select players for the competitive blitz days.

The in-house competition witnessed an astounding 18,924 participants take part, bringing the total number of participants to an impressive 60,988 for the 2024 season.

Local competitions will begin in early February or early March with Regional & Provincial Finals taking place in early May. The National Finals will be held on Wednesday, June 11, 2025 in the Aviva Stadium, Dublin. There are seven sections to cater for all school sizes (small, medium, large and Football for All). There has been an increasing interest in the Football for All section (for players with additional needs/recognised disabilities).

There are separate competitions for boys and girls but girls are permitted to play in the boys' competitions.

TEACHER BEHAVIOUR CONDUCT AT FAI SCHOOLS PRIMARY 5s 2025

INTRODUCTION

The FAI Schools Primary 5s competition provides an excellent opportunity for young players to develop their football skills, teamwork, and sportsmanship. As educators, teachers play a crucial role in modelling appropriate behaviour and ensuring a positive environment for all participants.

EXPECTATIONS FOR TEACHER CONDUCT

1. Sportsmanship and Fair Play

- Promote respect among players, referees, and opposing teams.
- Encourage students to play fairly and accept the outcomes graciously.

2. Positive Role Modelling

- Exhibit positive attitudes and behaviours, demonstrating how to handle wins and losses with dignity.
- Use language that is supportive and encouraging, avoiding negative comments towards players, officials, or opposing teams.

3. Encouragement and Support

- Provide constructive feedback to students, focusing on effort and teamwork rather than just winning.
- Celebrate achievements, both individual and team-oriented, to foster a love for the game.

4. Respect for Officials

- Support referees and their decisions, teaching students the importance of respecting authority in sports.
- Avoid arguing with officials and encourage students to do the same.

5. Inclusivity and Team Spirit

- Ensure all players, regardless of skill level, feel valued and included in the team dynamic.
- Promote teamwork and collaboration,

highlighting the importance of working together for a common goal.

6. Safety First

- Prioritise the physical and emotional well-being of all participants.
- Ensure that players are properly equipped and that all safety protocols are followed.

COMMUNICATION GUIDELINES

- **Positive Messaging:** Use uplifting language to motivate students and boost their confidence.
- **Constructive Feedback:** Offer feedback that helps players learn and improve rather than criticising them harshly.
- **Encouraging Team Interaction:** Foster an environment where players communicate positively with each other and work as a cohesive unit.

Teachers have a significant influence on the atmosphere of the FAI Schools Primary 5s competitions. By modelling positive behaviour, promoting sportsmanship, and prioritising inclusivity, educators can help cultivate a supportive and enriching experience for young athletes. Through these actions, teachers contribute to the holistic development of students both on and off the field.

FAI GARDA VETTING POLICY:

All adults supervising children on behalf of school must have completed safe recruitment practices as per the schools policies, such as Garda Vetting and completed their safeguarding training. They must also adhere to all school policies on appropriate behaviours as well as all FAI regulations and policies.

PARTICIPATION

For the 2025 FAI Schools Primary 5s we are asking all schools to coordinate their own

in-house competition prior to submitting their player registration list. The purpose of this is to build upon the inclusivity of the programme in 2024 and encourage participation for all pupils within the school. The FAI will provide a guide for how to conduct the in-house competition within your school once your registration is received.

In advance of the day of competition, schools will receive a player registration list and must follow the procedure below:

- A squad of no more than eight players must be submitted to the local co-ordinator on the day of the competition.
- Full name of each player and the player's date of birth should be included on the registration list.
- Signature of the teacher in charge must be on the registration list.
- Once submitted, no changes can be made to the squad for that day's competition.
- Player's registration lists will be available for inspection by other teachers during the competition.
- Teachers should be aware that they are responsible for the behaviour and supervision of their players. Any students attending these blitz days as spectators, should also be under the supervision of teachers.
 - All schools must agree and abide by the rules of the competition.
 - *Confirmation from the teacher that all players are eligible for this section of the Primary 5s (ie all players have an additional need/recognised disability). Signature of the teacher in charge must be on the registration list.

MEDIA

All schools are encouraged to promote the competition in their own area through local press, radio and/or social media platforms. You can use the hashtag **#Primary5s** and follow us on twitter and Facebook at @faischools.
