POST PRIMARY SCHOOLS FUTSAL PROGRAMME 2016

**FOOTBALL
IN SCHOOLS
PROGRAMME**
the pathway to develop Irish football

INTRODUCTION

Futsal is the official FIFA version of the indoor 5 a side football. It is played between two teams of five players, one of whom is the goalkeeper and up to seven substitutes per team may be used. Unlike some other forms of indoor football, the game is played on a hard court surface delimited by lines; walls or boards are not used.

Futsal is also played with a smaller ball with less bounce than a regulation football. The ball and rules create an emphasis on improvisation, creativity and technique as well as refining ball control, passing and dribbling in small spaces.

The Post Primary Schools competition caters for boys and girls in First Year. The programme delivers a quality fast paced action packed game focusing on skill, speed and technique.

Competitions begin in October with Provincial Finals in November and National Finals in early December. There is a competition in each County and the winners of each section (boys and girls) progress to their respective Provincial Finals. Each Provincial winner will then progress to the National Finals which will be held on Wednesday, December 7 in Waterford IT Sports Campus.
